

Sassy Shad®

Shad is the one bait fish that most fresh and salt water game fish seek as a food source, and the original Mister Twister® Sassy Shad® is the closest imitation of this classic bait fish. It will out produce any other shad-type lures. Its classic tail design and supple body give the Sassy Shad® the natural shad action big game fish can't resist. Rig a Sassy Shad® to a jighead, and work it slowly near the bottom. Add a spinner form for added flash and vibration. There's a Sassy Shad® just the right size and color for all types of fishing.
