

EXUDE™ RT Slug

Actual Size

The EXUDE™ RT Slug features a chunky body with an undercut slot that hides the hook, making it weedless. Its thin-bodied larger profile makes it lighter and more realistic. It also makes it easier to set the hook. Fish the EXUDE™ RT Slug on an offset hook. Its frantic darting and gliding motion simulates an injured shad. The EXUDE™ formulation

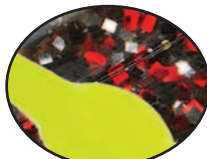

delivers a fleshy real feel that tastes natural. Now there's a shad imitation that releases scents and stimulants, just like a real injured shad.
