The BEST in topwater fishing...

The Top Prop's weedless design means no hang ups when fishing heavy cover. Cast it into almost anything. The Top Prop™ is virtually indestructible. Fish it fast or slow, twitch it or buzz it. Its incredible surface action drives big fish nuts. **Patented**

Rigging a Top Prop™

1. Slip the Top Prop's stinger hook onto the bend of the Keeper™ Hook.
2. Push the entire Keeper® Hook bayonet into the head of the Split Double Tail™ trailer.
3. Insert the point of the Keeper® Hook into the back of the Split Double Tail™ pushing it through until the point of the hook comes through the top. Back it off slightly and you're ready for truly weedless fishing.
