EZ-ScaleR Fits both the Mister Twister® Electric Fisherman® & Piranha

World's FASTEST Fish Scaler

www.ez-scaler.com

Cleaning fish can be a chore, but Mister Twister's® new EZ-ScaleR will clean your pile of fish in just a few minutes. The EZ-ScaleR's reciprocating heads move at 2,800 to 3,200 revolutions per minute lifting virtually one scale at a time. Without a doubt, this is the world's fastest fish scaler. See how easily it cleans the toughest fish at www.ez-scaler.com

Saltwater & Freshwater

PIRANHA "Bad to the Bone"

Saltwater and trophy freshwater fishermen have a fillet knife that can handle any big fish in the Piranha from Mister Twister®, the pioneer in electric fish cleaning technology. Every bit as rugged as the classic Mister Twister® Electric Fisherman®, the Piranha, features 25% more torque and 15% more speed than most other electric knives, so it will handle the tough scales and skin of any trophy fish. The real key to its cutting power is in its 9" heavy duty stainless steel blade. More power, more torque, and more speed make the Piranha, "Bad to the Bone!"

Superior mechanics means superior results.

More Power

More Torque

More Speed

9" Blade

9" blade length means less time cleaning fish and more time on the water.

Durable, expandable power cord
