Exude 4" Curly Tail Perfect for Saltwater

Mister Twister has expanded its Curly Tail Grub line with the addition of the Exude Curly Tail.

Exude Curly Tails feature the design and action of the original Mister Twister Curly Tail Grub, the lure recognized as the best grub by both professional and weekend anglers alike.

Because they are formulated with Exude, Exude Curly Tails literally explode with scent the minute they hit the water. In fact, Exude lures release up to 100 times more scent and feeding stimulants than any other soft plastic lure.

Exude Curly Tails are available in 1", 2", 3" and 4" grubs and a wide variety of proven colors, including multi colors. The 4" Saltwater Exude Curly Tail is perfect for both redfish and specks, as well as a host of other saltwater species.
