

# VIE Shiner

Lime Black Flake/Yellow shown

Designed and tested by crappie guides and tournament anglers in 3 states. The vertical twin paddle tails displace more water, create more vibration, and impart an extreme swimming action. Small (1 1/4") shiner profile with an enhanced scale pattern. Every VIE Shiner is laminated, tri-colored or multi-colored for added visibility. Super versatile— use for jigging, trolling, side trolling, or drop shotting.
