

Poc'it Paddle Tail

Black/Blue Flake/Blue shown

The Poc'it Paddle Tail emits a unique vibration pattern and has a very "fish-like" profile. Plus, the poc'its produce an enticing bubble trail. It makes a great swimjig trailer.

The Poc'it Phenom[®] combines the action of a Curly Tail[®] worm with the attraction of bubble-producing poc'its. Try swimming it on a jig, like a finesse swimbait, or Texas-rig it and drag it through cover.
