

Sassy Shad®

Shad is the one bait fish that most fresh and salt water game fish seek as a food source, and the original Mister Twister® Sassy Shad® is the closest imitation of this classic bait fish. It will out produce any other shad-type lures. Its classic tail design and supple body give the Sassy Shad® the natural shad action big game fish can't resist.

Designed and tested by crappie guides and tournament anglers in three states. The vertical twin paddle tails displace more water, create more vibration, and impart an extreme swimming action.

Small (1¾") shiner profile with an enhanced scale pattern. Every VIE Shiner is laminated, tri-colored or multi-colored for added visibility.

Super versatile– use for jigging, trolling, side trolling, or drop shooting.
