

# Hawg Frawg®

Mister Twister's Hawg Frawg® is "No Ordinary Toad." Oversized, detailed swimming legs create a tantalizing top water disturbance.

In addition, all Hawg Frawgs feature real 3D eyes. Rig it weedless on a Mister Twister® Keeper™ Hook or fish it on a jig.

This highly productive lure has been a staple with fishermen for over 30 years. Casts easily with or without weight. Two sizes—3" & 4". \*Dot colors/patterns may vary
