

Flip'n OUT

Green Pumpkin shown

A great flip'n bait with a soft, sturdy, compact, ribbed body and paddle appendages for maximum water displacement to help bass find an easy meal in thick cover. Its two longer claw-like paddles and Mister Twister® Curly Tail® legs generate a lifelike, fleeing motion that's irresistible. The body's recessed centerline creates perfect hook placement.

What's one feature setting this bait apart? The body's smooth, scaled finish on one side, and deep, textured ribs on the other. By rigging the Flip'n OUT with the hook on the smooth side the lure will fall a little faster than if rigged on the ribbed side. Testing revealed a 17% difference in the fall rate between the two rigging options!
