

Hang 10!

Junebug Red shown

This 10" worm has an extra-wide Mister Twister® ribbon tail that produces an enticing, swimming motion which results in merciless attacks from convinced bass. As you've probably heard, big baits catch big fish.

Fish it on a Texas or Carolina rig or use it weightless. This is a perfect bait for the Mister Twister® Keeper™ Weighted Worm Hook (page 23). Mister Twister's HANG 10!, simply put, is the perfect slow presentation lure.
