

Mag 12" BUZZ Worm

"My key bait that I caught all of my big ones on was a 12-inch, plum-colored Mister Twister Mag 12 Buzz Worm. I was fishing anywhere from 22 to 30 feet deep throughout the week. The best anglers in the world were in this tournament and I knew that my only shot was fishing my strengths."

Clent Davis's \$300,000 Worm

Mister Twister's Mag 12" BUZZ Worm is a large profile, big bass worm with a tail designed to provide maximum action and vibration while fishing structure.

"When the tail falls, it falls for a while, just like something settling there and dying and they eat it!" Albert Collins – 2 Time Bassmaster Classic Qualifier (2013 & 2016), 2015 Bass Nation National Champion, 2014 ABA Ray Scott Championship National Champion, and 2012 Bassmaster Weekend Series Champion.
