

Micro Crawfish

The Mister Twister® 1-1/4" Micro Crawfish is a great Micro Mania lure that can fool even the most cautious slab crappie, big bream or trout. It's the perfect duplication of a baby crawfish. Designed to mimic Mother Nature, the Mister Twister® Micro Crawfish comes in the natural colors fish love. Fish it with a 1/16 oz. or 1/32 oz. jighead or rigged on a single hook for a natural presentation.

Nymph

The Mister Twister® Nymph is another great trout, crappie and bream lure that will truly "match the hatch." The Nymph is the perfect duplication of a mayfly nymph designed to mimic Mother Nature. At 1 1/4" long, not only are the colors perfect, so is the size. Fish this little creature with a 1/16 oz. or 1/32 oz. jighead or rigged on a single hook to provide a more natural presentation.

Perfect for Trout or Panfish

Why has "Long-Lining" for Crappie Become the "Go-To" Technique?

Long-Lining for crappie has become the technique of choice. Covering more water and a wider spread of water, along with improved electronics has been getting far better success accross the country.

From the attached chart you can follow line size, speed, distance behind boat, water depth and list jig depth using the long-line technique. A variety of lures are being used, however the Original Curly Tail® lures by Mister Twister® are becoming the lure of choice, mainly because of the contrasting colors available, the action of the tail itself, and lastly, because of the long established success using the Original Mister Twister® Curly Tail® Mister Twister® General Manager, Chuck Bryd
