Mister Twister's Mag 8" BUZZ Worm and the Mag 12" BUZZ Worm, are big bass worms with a tail designed to provide maximum action and vibration while fishing structure. They can be extremely effective at getting bit when you flip the lure into the water and let it fall. Both worms work great for targeting bass on structure such as ledges, reeds and brush piles in deeper water. It is exceptional for flipping, Carolina rigging and Texas rigging on either a 5/0, 6/0 or 7/0 hook.
